

Barn Dance News

We profited a little over \$1,500! The Striped Pig String Band, Lindsey Battle, and our sound tech, Tofu, provided excellent entertainment all evening. The raffle rocked! The bake sale looked lovely, and was scrumptious. The tamales,

and sauce were excellent! Our decorations volunteers worked quickly to create a lovely ambiance. We were overflowing with drinks, and volunteers all evening. Our side room teemed with the joyful sounds of children being creative together. And a super special appreciation for the clean up crew! Thanks to everyone for working together to make our 2017 Barn Dance a true success!

Announcements

Tuesday, March 14 is Pi Day! The **Upper El** celebrates the day by spending a big chunk of the day enjoying MATH... and PIE! They would love to have a few families bring in sweet pies, plus they will order pizza so a \$3-5 donation for the pizza order would be great. Check in with Debora or Michele if you have any questions.

A special note to **Upper El** parents about the **Humboldt State Science Fair:** Since all of the students worked so hard this year on their science projects, they are getting a chance to be acknowledged during the county-wide science fair which takes place at Humboldt State University from March 13th-17th. The projects will be judged as stand-alone posters, meaning that your student DOES NOT need to be present to be in the science fair. Below are the times that you may want to bring your child and your family to view the projects from around the county. You may also attend the awards ceremony.

Please email us with any questions!

New Wish List Items:

Still looking for some nice **hula hoops**. Here is link to some if any of you are interested in gifting the school 1-3 hula hoops:

<https://www.canyonhoops.com/shop/child-and-youth-hula-hoop/>

I don't know a ton about hula hooping, but these look like nice, weighted hoops that won't bend the first day we have them. The 36" looks like the right size. However, this is only a suggestion; we will take any that you would like to donate.

The Upper El would love some new rainy day **board games**. Mancala is one they mentioned, but if you have any gently-used games you no longer use please pass them on to the school. Thanks!
