

**Six Rivers Montessori
Covid-19 Back to School
SOCIAL CONTRACT**

I have read SRM’s Covid-19 Back to School Plan and agree to follow the guidelines created by SRM staff and the requirements and guidelines from Humboldt County Public Health that are listed in the plan.

My family agrees that Covid-19 illness and spread is a significant risk due to the highly contagious novel coronavirus for which there is no vaccine.

My family follows reasonable protocols such as mask wearing in public indoor spaces, regular hand washing and sanitizing, and social distancing.

My family does not engage in large gatherings where State and County Public Health recommendations are disregarded.

My family is not engaging in high risk activities in high risk counties or states.

My family considers the SRM community as a “pod” during this time and will make it a priority to consider our actions for our own family and others in the community during this global pandemic.

I believe that SRM is doing their best to provide the safest possible environment for my/our child(ren) and the SRM staff by following all of the risk minimization protocols recommended at the State and County levels. I am willingly accepting the risks involved with in-person, site-based learning at this time.

My child(ren)’s name(s): _____

Signed _____

If you have comments or concerns about signing this social contract please contact Denise at 707-845-9230 or office@sixriversmontessori.org.
